DEAR TAHOE FUND FRIENDS,

WE ARE PROUD TO PRESENT our Fiscal Year 2025–2026 Annual Report. As you'll read in this report, we had another record year for our organization, awarding over $2.3 million to 66 projects and unlocking nearly $24 million in public funds.

Under our refreshed strategic plan, we've honed our focus to three areas: The Forest, The Lake, and The Experience. We are prioritizing projects that reduce the risk of catastrophic wildfire, improve the health of the lake, and make it easier to get around, enjoy, and take care of Lake Tahoe.

Within each of these areas, we've identified a transformational project that will bring substantial improvements to Lake Tahoe. While these projects won't happen overnight, they are without a doubt the most important drivers of positive change for our local environment.

We've expanded our Fire Smart Community Pilots, which bring together wildfire experts, technology companies, energy providers, and nonprofits to revolutionize the way we are creating wildfire-resilient communities. What started in one Incline Village neighborhood has already grown to six different pilots in the Tahoe region, and we're now working with other regional and national partners who are hoping to bring this approach to their communities.

After helping the California Tahoe Conservancy demolish the former Motel 6 from the Upper Truckee Marsh in South Lake Tahoe, we've turned our focus to fundraising for restoration of this sensitive wetland. Already, our donors have brought in the first million dollars of private funding for this phase, meeting a major milestone for the most important restoration project for Lake Tahoe in decades.

Work is also underway to extend the East Shore Trail, to bring safety improvements along State Route 28. In addition to new and expanded parking lots, which were unveiled this summer, we are collaborating with our partners to help design, fund, and build the next eight miles of path to Spooner Summit, starting with the next two miles of trail from Sand Harbor to Secret Harbor.

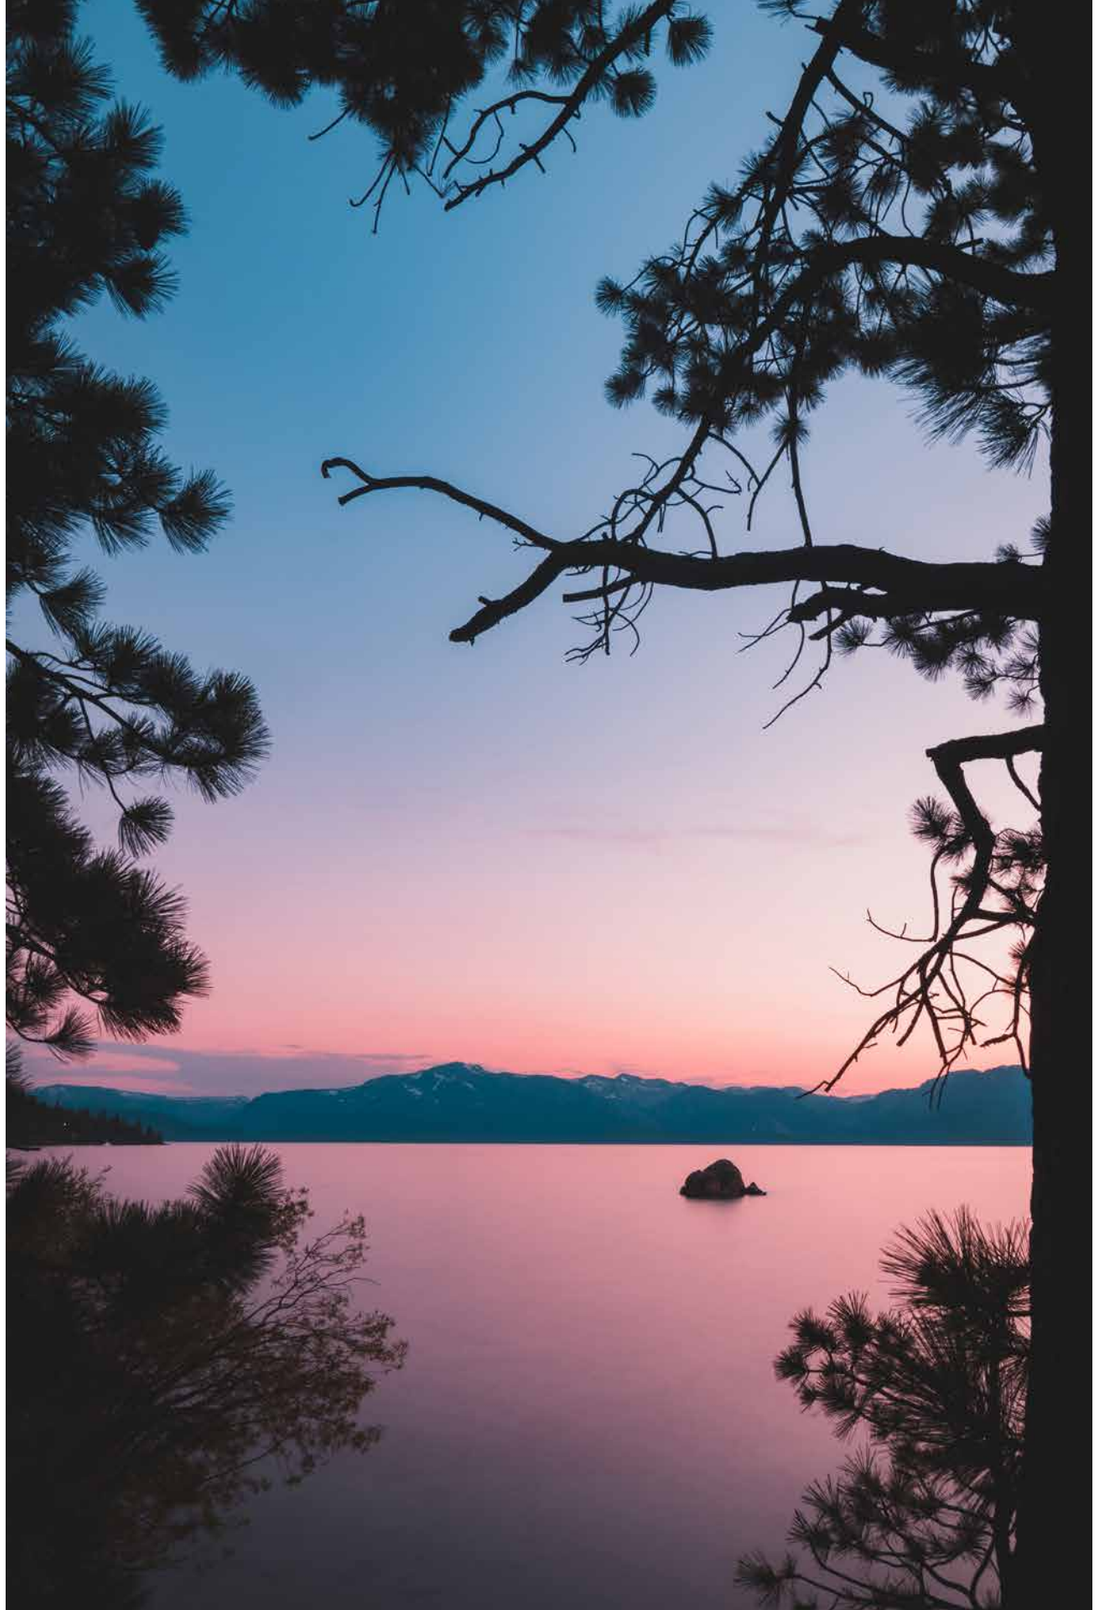

As always, it's the unwavering commitment of our Stewardship Circle members and support of our donors that makes this work possible. When you read this report, know that every one of these projects happened in part because of your generosity.

Together, we're improving the Lake Tahoe environment for all to enjoy.

Yours in gratitude,

VERDI DISESA
Tahoe Fund Board Chair

WHO WE ARE

WE ARE AN ENERGETIC, forward-thinking and nimble organization focused on getting great things done for Lake Tahoe.

Supported by a dedicated and growing group of generous donors, we do our part by playing a few key roles:

Funder

We serve as a consistent source of private funding to match, secure, and leverage public dollars that help our partners complete environmental improvement projects in the Tahoe Basin.

Convener

We convene stakeholders to facilitate dialogue and problem solving. We add value by being neutral, inclusive, and innovative.

Catalyst

We are a catalyst for projects and pilot initiatives, helping to bring innovative solutions to the challenges facing Tahoe.

Communicator

We build awareness of the need to take care of Tahoe and act as storytellers for positive change happening in the region.

WHAT WE BELIEVE

We envision a Lake Tahoe where the natural and human environments are in balance and a growing community of passionate supporters enjoys and cherishes this mountain treasure.

OUR FOCUS AREAS

Together with our partners, we are working to achieve the following goals for Lake Tahoe:

The Forest

Reduce the risk of catastrophic wildfire

The Lake

Improve the health of the lake

The Experience

Make it easier to get around, enjoy, and take care of Lake Tahoe

WHAT WE DO

AT THE TAHOE FUND, we use the power of philanthropy to improve the Lake Tahoe environment for all to enjoy.

Since our founding in 2010, alongside our local, state, and federal partners, we have accomplished a significant amount for Lake Tahoe.

50+

AGENCY & ORGANIZATION PARTNERS

250+

PROJECTS FUNDED

$35M+

DONOR DOLLARS RAISED

$230M+

PUBLIC FUNDS SECURED

THE FOREST

ACCORDING TO A REPORT from Land Tender, the Tahoe Basin has 22 million more trees than a healthy forest should. With this significant overcrowding putting the region at risk of catastrophic wildfire, the Tahoe Fund has made forest health our number one priority.

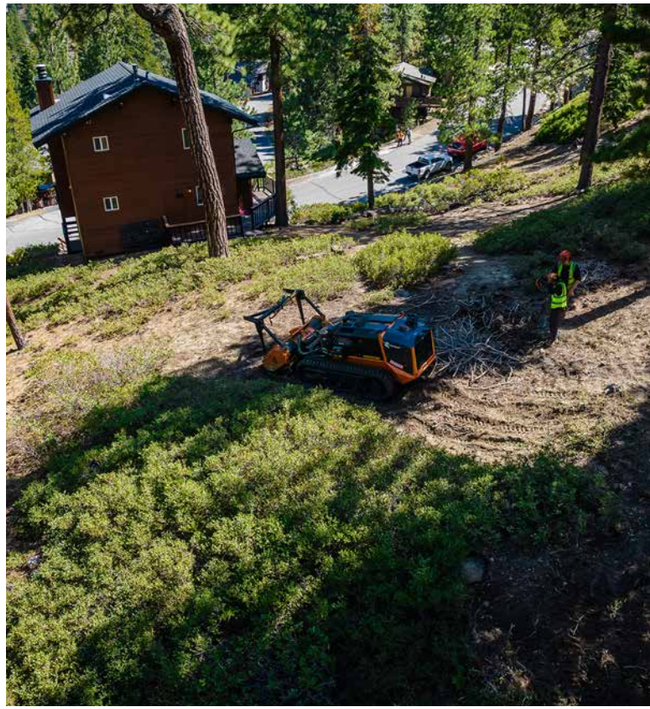

Through our Smartest Forest Fund, we are investing in promising new ideas and innovative pilot projects that increase the pace and scale of fuels reduction and help lower the risk of catastrophic wildfire.

BY THE NUMBERS – FY 25/26

$587K+ TOTAL AMOUNT GRANTED FOR PROJECTS

$7.9M+ PUBLIC FUNDS UNLOCKED

PROJECT SPOTLIGHT: FIRE SMART COMMUNITY PILOTS

Building Fire-Ready Communities Through Innovation and Collaboration

THE FIRE SMART Community Pilot program launched in spring 2025 to create more fire-ready communities in Tahoe. By bringing together new technologies—such as BurnBot, Fire Aside, Vibrant Planet and Xyloplan—as well as local fire districts, homeowners associations and wildfire researchers, these pilots are helping to identify, prioritize and implement the mitigations that matter most for reducing wildfire risk.

The pilots are designed to support residents with expert guidance, tools, and resources to make homes, streets, and shared spaces more fire-ready. Pilot projects are now underway in six Tahoe communities: Tyrolian Village, Incline Pines, Glenbrook, South Lake Tahoe (Gardner Mountain), Carnelian Woods, and Martis Camp.

Photos: left, Brad Smith; above, Jeff Freeman

THE LAKE

EXTERNAL STRESSORS like aquatic invasive species, algae, and wildfires are creating new challenges for Lake Tahoe's famous blue waters.

We are helping to improve the health of the Lake by restoring high-priority watersheds, preventing and controlling aquatic invasive species, and reducing sediment and pollutants from entering the Lake.

BY THE NUMBERS – FY 25/26

$300K+ TOTAL AMOUNT GRANTED FOR PROJECTS

$2.5M+ PUBLIC FUNDS UNLOCKED

PROJECT SPOTLIGHT: UPPER TRUCKEE RIVER RESTORATION

Restoring the Most Impaired Watershed in the Tahoe Basin

ONE OF THE most important restoration projects in Lake Tahoe's history is underway in South Lake Tahoe. Last fall, the California Tahoe Conservancy demolished the former Motel 6 building, restaurant, and parking lot from the Upper Truckee Marsh, thanks in part to over $200,000 in contributions from Tahoe Fund donors and major gifts from the Latrobe Foundation and the Robert S & Dorothy J Keyser Foundation.

In addition to funding the demolition, the Tahoe Fund also aided with the initial acquisition of the property alongside a number of other partners including the Conservancy, the California Wildlife Conservation Board, Tahoe Regional Planning Agency, California Department of Fish and Wildlife, and the League to Save Lake Tahoe. We will continue to raise funds to support the restoration phase, which will take place over the next few years. Thanks to our donors, we've already brought in the first million dollars of private funding for this phase. Together, we are helping transform this sensitive wetland back into a healthy filtration system for Lake Tahoe.

Photos: above, California Tahoe Conservancy

THE EXPERIENCE

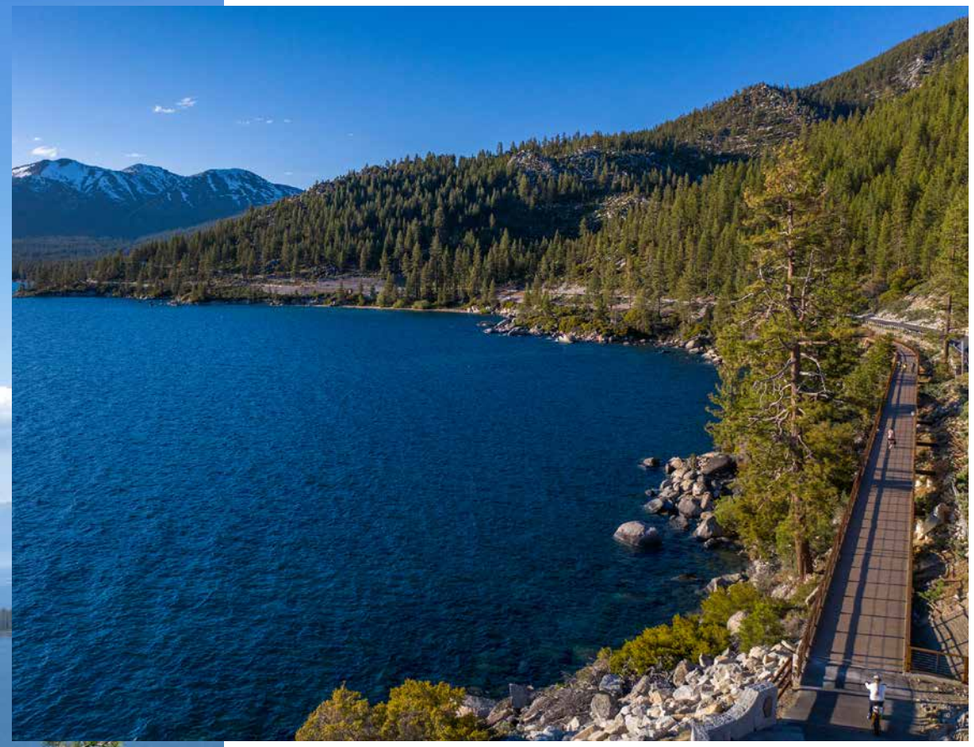

TAHOE PROVIDES unparalleled outdoor recreation experiences, but managing the surge in visitation in the busy months creates challenges for our communities and the environment.

We are working to make it easier to get around, enjoy and take care of Lake Tahoe by investing in a sustainable trail system, finding innovative ways to reduce traffic congestion on busy days, and improving access to recreation opportunities, especially for underserved communities.

BY THE NUMBERS – FY 25/26

$1.5M+ TOTAL AMOUNT GRANTED FOR PROJECTS

$13M+ PUBLIC FUNDS UNLOCKED

PROJECT SPOTLIGHT: EAST SHORE TRAIL EXTENSION

Extending Tahoe's Most Popular Trail

ONE OF THE MOST iconic trails in Tahoe is expanding. Plans are underway to extend the Tahoe East Shore Trail, which runs along State Route 28, to Spooner Summit. The first step is new and expanded parking lots, which not only provide a safer alternative to parking along the highway, but help reduce erosion and prevent sediment flowing into the Lake.

Over the next few years, we will work with our partners to help design, fund and build the next few miles of path to Secret Harbor en route to Spooner Summit. Funds raised from our engraved trout plaques and names on the donor wall are already supporting this next phase. Scenic vista points will also be available soon.

THIS YEAR'S PROJECTS

THE FOREST

Reduce the Risk of Catastrophic Wildfire

TRANSFORMATIONAL PROJECT

Fire Smart Community Pilots. Photo by Jeff Freeman

Fire Smart Community Pilots

This innovative new pilot program is creating more fire-ready communities in Tahoe. By bringing together new technologies—such as BurnBot, Fire Aside, Vibrant Planet and Xyloplan—as well as local fire districts, homeowners associations and wildfire researchers, these pilots are helping to identify, prioritize and implement the mitigations that matter most for reducing wildfire risk.

Blackwood Canyon ALERTWildfire Camera

An ALERTWildfire camera on US Forest Service lands in Blackwood Canyon to close a major wildfire detection gap on the West Shore and across the lake in Incline Village.

BurnBot Investment

Investment in BurnBot's innovative technology and machinery that is speeding up forest health treatments in Lake Tahoe.

Caldor Forest Restoration

Reforestation of approximately 100 acres within the Caldor Fire burn scar by the Sugar Pine Foundation, planting 10,000 native conifer trees along heavily used mountain biking and hiking corridors near South Lake Tahoe.

Forest Service Mobile Ranger Station

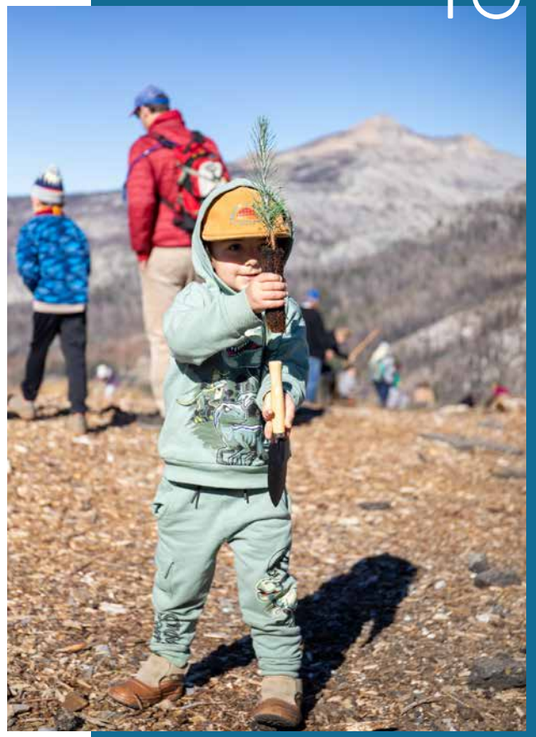

A trailer converted into a mobile ranger station that's used by the US Forest Service Lake Tahoe Basin Management Unit (LTBMU) at community events to help educate the public about forest health and the risk of wildfire.

Forest Strategies & Innovations Conference

Sponsorship of annual California forum hosted by Cal Forests for forestry professionals, policymakers, researchers and partners working toward resilient and sustainable forest management.

Home Hardening & Defensible Space Training

The University of Nevada Reno Living With Fire program hosted hands-on workshops for local contractors to train them in home hardening and defensible space best practices to help people make their homes more wildfire resilient.

250+

TOTAL PROJECTS

PHOTOS

Top: Caldor Forest Restoration

Bottom: Blackwood Canyon ALERTWildfire Camera

Lake Tahoe Community College (LTCC) Forestry & Fire Academy Programs

Scholarships for students in LTCC's Forestry and Fire Academy programs, plus a grant to support an administrator to ensure student success.

Northstar Community Services District Biomass-to-Heat Plant

A biomass plant that will provide heat to the Village at Northstar using wood waste from nearby forest health treatments. This plant will replace six natural-gas-fired boilers, reducing emissions and furthering our goal of preventing catastrophic wildfire.

TCSI Annual Convening

Support of an annual convening where forest health leaders develop strategies to reduce the threat of catastrophic wildfire across the 2.4-million acre Tahoe Central Sierra.

Whitebark Pine Research

An applied research effort with the University of Nevada, Reno to understand the rapid Whitebark Pine mortality in the Basin, and equip land managers with up-to-date data so they can tailor forest health treatments accordingly.

THE LAKE

Improve the Health of the Lake

TRANSFORMATIONAL PROJECT

Upper Truckee River Restoration

The most important lake clarity project in the Tahoe Basin in decades is underway. Demolition is complete and the former Motel 6 building, restaurant, and parking lot have been removed from the Upper Truckee Marsh in South Lake Tahoe. We are now helping the California Tahoe Conservancy restore this sensitive wetland and transform the area back into a healthy filtration system for Lake Tahoe.

Upper Truckee River Restoration. Photo by California Tahoe Conservancy.

Clean, Drain, Dry (CD3) Machines

Three new "Clean, Drain, and Dry" roadside units, purchased by the Tahoe Regional Planning Agency, to make it easier for people to clean their paddle boards, kayaks, and gear and help to prevent the spread of invasive species.

Golden Mussel Billboards

A multi-agency effort to spread awareness about the threat of golden mussels, especially on kayaks and paddle boards, and prevent this aquatic invasive species from entering Lake Tahoe.

THE EXPERIENCE

Make it Easier to Get Around, Enjoy, and Take Care of Lake Tahoe

TRANSFORMATIONAL PROJECT

East Shore Trail Extension. Photo by Michael Okimoto

East Shore Trail Extension

One of the most iconic trails in Tahoe is expanding. Plans are underway to extend the Tahoe East Shore Trail to Spooner Summit, starting with two miles of path from Sand Harbor to Secret Harbor. This also includes new and expanded parking lots, which not only provide a safer alternative to parking along the highway, but help reduce erosion and prevent sediment flowing into the Lake. Funds raised from engraved trout plaques and names on the donor wall are already supporting this next phase. Scenic vista points will be available soon.

Achieve Tahoe Summer Programs

This program offers summer activities, such as archery, climbing, hiking, paddling, and sailing, for people with disabilities and their families.

Adaptive Outrigger Canoe

A new six-person outrigger canoe for adaptive paddling programs offered by Tahoe Waterman Foundation for athletes, veterans, youth, and caregivers.

Adventure Risk Challenge Community Leadership Program

A year-long program empowering underserved high school students through outdoor education and leadership development.

Alpenglow Winter Speaker Series Grants

Grants to five local nonprofits highlighted by the Winter Speaker Series that are expanding stewardship and access to the outdoors: Truckee Dirt Union, Truckee Roundhouse, Tahoe Waterman Foundation, Headwaters Science Institute, and Tahoe Cross Country Ski Education Association.

Bear Aware Training Conference

Funding for nine members of the Tahoe Interagency Bear Team (TIBT) to attend the 7th Annual International Human Bear Conflict Workshop to learn about effective outreach strategies, tools and tactics for responding to human-bear conflict in Tahoe.

Boys & Girls Club Summer Adventure Program

Rock climbing and camping adventures for Club kids in South Lake Tahoe.

Achieve Tahoe Summer Programs

California State Parks Rescue Watercraft

A new jet ski with rescue equipment that will significantly reduce lifeguard response times for water rescues, medical aids, and offshore emergencies on Lake Tahoe.

Camp RennerVation

Scholarships for 30 campers to attend a week-long summer camp in Lake Tahoe geared towards foster and at-risk youth. Campers learn about stewardship practices and explore outdoor career pathways such as forestry.

Cascade Kitchens Bike Racks

Bike racks at Cascade Kitchens in South Lake Tahoe to encourage biking instead of driving to this new gathering space.

Ebb & Flow Sailing Sessions

Nature-therapy sailing sessions for first responders, women cancer survivors, and underserved youth.

Emerald Bay Shuttle

A pilot program—in partnership with Keep Tahoe Blue, CalTrans, El Dorado County, Tahoe Transportation District, TRPA, and others—to offer an easier way to visit Emerald Bay during the busy summer months and discourage unsafe parking along the highway.

Generation Green Summer Internship

An eight-week work-study program with the U.S. Forest Service for local high school students that provides career experience while fostering a love of the outdoors.

Girls on the Run Sierras

Scholarships for participants in Girls On the Run's after school programming, which focuses on running, training and leadership development.

Incline Flume Trail Enhancements

Work by trail crews from Tahoe Area Mountain Biking Association to improve areas along the popular Incline Flume Trail.

Lake Tahoe Destination Stewardship Council

Fiscal sponsor of the Council, which is made up of over a dozen partners working to better manage tourism and outdoor recreation, and balance the needs of the environment, businesses, visitors, and local communities.

McConkey EcoChallenge

A student competition run by the Shane McConkey Foundation that is designed to inspire and engage the next generation to help solve the region's environmental challenges.

Plants of the Tahoe Basin

A new edition of the Lake Tahoe Basin's premier plant guide, featuring a comprehensive record of native plants, invasive species, and the ecological roles plants play in sustaining the health of Lake Tahoe's environment.

Rubicon Peak Year-Round Trailhead

Improvements to create year-round access to Rubicon Peak by the Tahoe Backcountry Alliance (TBA), including paving the parking lot, managing snow removal, and creating a sustainably-built trail.

SOS Outreach Mentorship Program

A youth mentorship program that brings outdoor recreation opportunities to underserved youth in North and South Lake Tahoe.

Tahoe Backcountry Alliance

Matching campaign to bring new members to TBA and unlock a $10,000 gift to help TBA achieve their goal of increasing human-powered public land access for everyone.

GIrls on the Run

Tahoe City Utility Art Box Program

The Tahoe City Downtown Association is transforming graffiti-prone utility boxes into vibrant public art, reducing vandalism while enhancing walkability, community pride, and the visitor experience.

Tahoe In-Depth

An environmental newspaper published by the TRPA highlighting the extensive work of the Environmental Improvement Program.

Tahoe Meadows Access Ramp

A new accessibility ramp to ensure that everyone—regardless of ability level—has the opportunity to experience the boardwalk trails in Tahoe Meadows off Mt. Rose Highway.

Tahoe Meadows Parking & Pedestrian Safety Improvements

A feasibility study by the Nevada Tahoe Conservation District to explore additional parking and pedestrian safety improvements on Mt. Rose Highway, especially for winter recreation access.

Tahoe Nature for All

Free nature experiences from the Tahoe Institute for Natural Sciences for underserved communities, including young people struggling with mental health issues, survivors of domestic abuse, and low-income families.

Tahoe Rim Trail Kiosks

16 new durable, bilingual trailhead kiosks installed by the Tahoe Rim Trail Association at Tahoe Rim Trail access points to improve safety, accessibility, and the overall visitor experience for an estimated 700,000 annual users.

Tahoe Trail Crews

Support for TAMBA's professional trail building crew to help take care of our trails.

Tahoe XC Trailhead Relocation

Relocating Tahoe XC's popular trailhead to provide easier access for outdoor adventures. The new trailhead will feature state-of-the-art facilities and EV chargers, and will help reduce overflow parking in nearby neighborhoods.

Tahoe Rim Trail Kiosk

Take Care Tahoe

Regionwide stewardship messages that encourage people to take care of Tahoe.

TAMBA Trails Training Program

20 days of hands-on training to develop staff, volunteer leaders, and crew capacity needed to construct, maintain, and restore more than 100 miles of trails across the Tahoe Basin.

Teens 4 Tahoe Giving Circle

A ten-week course run by the Tahoe Fund where teens learned about philanthropy and awarded grants to organizations of their choosing from our project portfolio. This year's awardees included: Clean Up the Lake, Sugar Pine Foundation, Camp Wamp, Adventure Risk Challenge, Courage Project, Achieve Tahoe, and Tahoe Nordic Search and Rescue.

Van for LTCC Wilderness Education Program

Support for a van to transport students to and from course locations for LTCC's Wilderness Education and Outdoor Leadership program, including backpacking, hiking, and avalanche safety courses.

$1 FOR TAHOE

THROUGH THE $1 FOR TAHOE PROGRAM, local businesses offer their guests and customers an easy way to give back to the environment with a donation to the Tahoe Fund.

GIVING BACK TO TAHOE

Helping Tahoe with Every Hour Flown

MOUNTAIN LION AVIATION is proving that every hour in the air can make a meaningful impact on the ground. As an aviation charter company they go above and beyond, not only for their clients, but for the Lake as well.

Through our $1 for Tahoe program, Mountain Lion Aviation donates for every hour flown, helping fund initiatives tied to carbon reduction.

Since partnering with the Tahoe Fund in 2023, the Lake Tahoe-based private aviation charter company has raised more than $100,000 to support environmental improvement projects across the Basin.

EVENT

2025 LAKE TAHOE SUMMIT COCKTAILS

ON THE EVE of the 2025 Lake Tahoe Summit, supporters of the Tahoe Fund gathered to hear from US Senators Adam Schiff and Jacky Rosen, Congressman John Garamendi, Nevada Governor Joe Lombardo, and the President and CEO of NV Energy Brandon Barkhuff. Washoe Tribe of California and Nevada Chairman Smokey also addressed the crowd. During the event, we presented Valieria Koss, the Executive Director of the RennerVation Foundation, with a check for $25,400 to help send foster youth to Camp RennerVation.

EVENT

6TH ANNUAL BOAT PARADE

ON JUNE 29, 2025, over 500 supporters and friends gathered on Lake Tahoe for the Tahoe Fund's 6th Annual Boat Parade. More than 80 boats, kayaks, and paddleboards joined in the party to kick off the summer season, marking this our largest parade to date!

The celebration featured breakfast burritos from the West Shore Café/Homewood Marina and Hyatt Regency, pitchers of Wet Woodys from our hosts at Gar Woods, beer from Lake Tahoe AleWorX, Hoppi Water from Alibi Ale Works, water from Tahoe Artesian, and charcuterie boards from Raley's. A special thanks to our anchor sponsor, Homewood Mountain Resort and our supporting sponsors Superior Boat Repair & Sales and ARC for making this day possible.

EVENT

2025 FOUNDERS CIRCLE SUMMER CELEBRATION

THE TAHOE FUND HOSTED its annual Founders Circle Celebration on the beach at the Beesley's Cottages on July 24, 2025. Over 300 guests enjoyed lakefront cocktails and delicious beverages from Gamble Estates, Padre Azul, and Tahoe Artesian Water, and sweet treats from Dorinda's Chocolates.

Our wonderful supporters once again demonstrated the power of philanthropy, helping us raise more than $1 million to improve the Lake Tahoe environment for all to enjoy. The night would not have been possible without our generous title sponsors, Barton Health and Tahoe Forest Health System, as well as Vail Resorts, Tahoe Luxury Properties, and Tahoe Quarterly.

EVENT

FIRST TRACKS AT TAHOE RESORTS

IN CELEBRATION OF OUR $1 for Tahoe partnership with Mt. Rose ski resort, we enjoyed a special First Tracks event on the hill before it opened to the public. Our donors and board members had an opportunity to cruise on fresh corduroy and experience what the highest base in Tahoe has to offer, and then enjoy breakfast and Bloody Mary's courtesy of JP Morgan.

In March, we joined Northstar's premium members and nonprofit partners for two First Tracks events, enjoying some sunrise laps followed by breakfast at Zephyr Lodge.

STEWARDSHIP CIRCLE DONORS

THE STEWARDSHIP CIRCLE CAMPAIGN is designed to help inspire, motivate, and empower stewardship of our important national treasure. Donors can join the Stewardship Circle with a multi-year commitment of at least $2,500 a year for 3 years.

Stewardship Circle members are a distinguished group of leadership donors made up of individuals, foundations and corporations helping us to restore and enhance the Tahoe environment. Thank you to our Stewardship Circle donors!

The power of philanthropy starts with partnerships

We work with 50+ partners across the region to get projects done.

FINANCIALS

IN THE LAST FISCAL YEAR, the Tahoe Fund maintained a strong Balance Sheet with a focus on generating funding for long-term initiatives while granting over $2.3 million to 66 different projects.

TAHOE FUND OPERATING RESERVE $1.5M

The Tahoe Fund Operating Reserve is designed to provide sustained funding for the organization in the event of an unexpected downturn.

EAST SHORE TRAIL LONG-TERM MAINTENANCE FUND $1.3M+

Established in 2014, this fund supports critical maintenance needs on the East Shore Trail.

FUTURE TRAILS FUND $2.5M+

The Future Trails Fund is supported by the sale of donor bears, trout, and names on the East Shore Trail donor wall. These funds are already being deployed on the East Shore Trail extension, unlocking more than $40M in public funding for design and construction.

TAHOE TRAILS ENDOWMENT $1.3M+

The Tahoe Trails Endowment supports trail improvements around the Tahoe region.

TAHOE FUND ENDOWMENT $4M

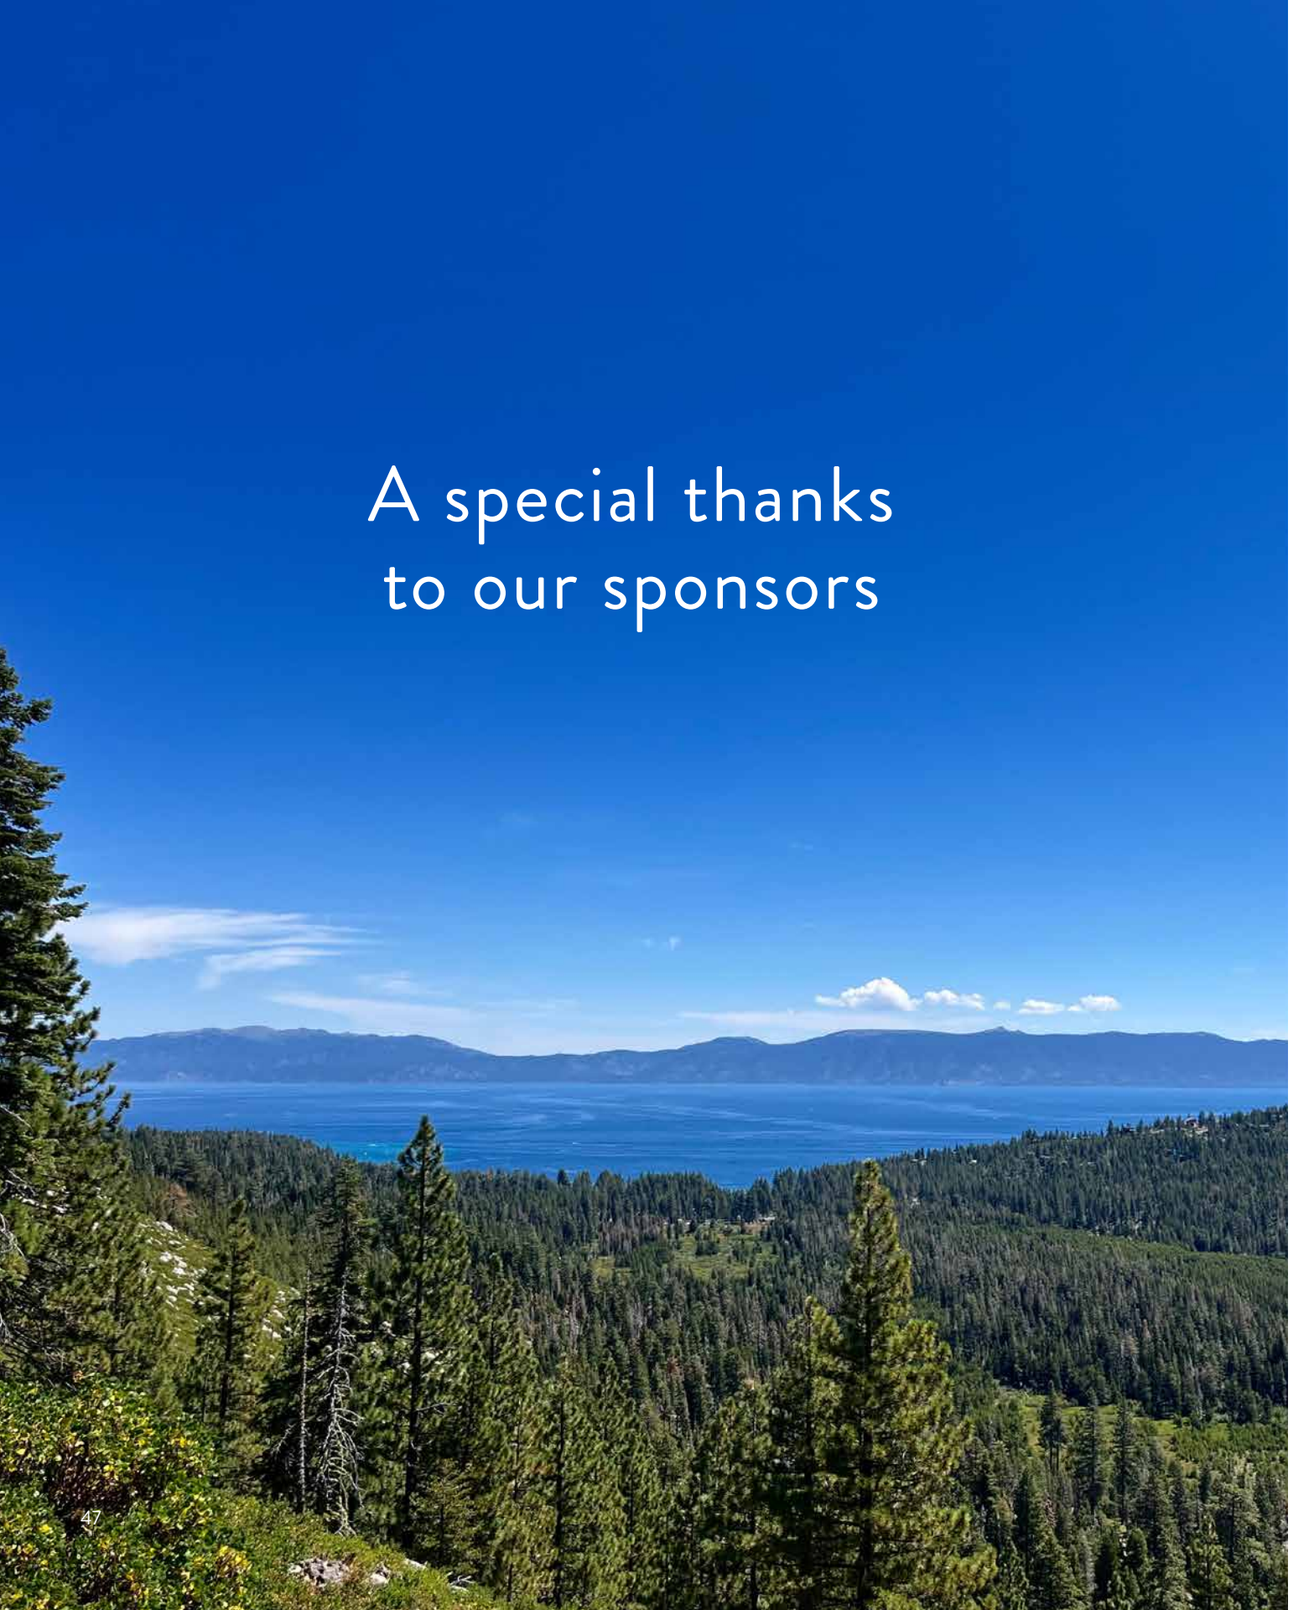

The purpose of the Tahoe Fund Endowment is to provide long-term support to the organization as it seeks to fulfill its mission.
